

## Edmond Veterans of Foreign Wars Post and Auxiliary 2022-2023 Sponsorships

Thank you for considering becoming an official Sponsor. By becoming a Sponsor of the VFW Post, Auxiliary, or both you are making the decision to invest in our missions of dedication to Veterans, Military, their families, and the community!

### So what happens when you become a Sponsor?

Aside from knowing you have assisted in helping us with our goals, your business' will be recognized in several different ways:

- Your company logo and name will be displayed on the website of whichever organization you choose to Sponsor and if you choose to sponsor both organizations then you will appear on both websites.
- Your company logo and name will be featured on a graphic for the social media account(s) of the organization(s) being sponsored as well as receive shoutouts.
- Sponsors will be provided with their own page on the organization(s) website(s) which will come with a private login and password for Sponsors to use to login and customize their page to feature information you would like visitors to see and know about your company (i.e., menus, sales, products, etc.).
- If you offer a military discount this will also be added to the website(s).
- Sponsoring company name/logo will be added on various printed materials that the organization(s) will hand out at events as well as on any member newsletters.
- Sponsors will receive notifications about upcoming events we are doing for our many annual programs and community awards to give you the opportunity to also be present or give you ways you can also be involved.

Becoming a Sponsor presents you with opportunities to reach new audiences that you may not already be reaching in a number of different ways throughout the year and can show our community that your company has a vested interest in those who have served to protect our country. We look forward to our partnership.
